

Town Of Roanoke
Roanoke, Indiana 46783

Welcome to Roanoke from the President, Town Council.

I would like to extend to you a very warm and friendly welcome to the Town of Roanoke on behalf of the residents, local businesses, the Town Council, and myself.

The People of Roanoke cherish a small town atmosphere, but enjoy living in a community where everything you would ever need is within a 15 minute drive.

We are home to Indiana's only 5 star restaurant; a regionally renowned tavern, a great family restaurant and a wonderful Pizza parlor.

We have 7 Christian churches that call Roanoke their home town.

Recently Vera Bradley added Roanoke as their corporate address.

Much is happening in my hometown. We are the fastest growing area in Huntington County and the Council has worked hard preparing the infrastructure for growth.

We welcome new business and new neighbors. If the Council can help you with your desire to move to Roanoke, just ask. If you haven't walked the streets of Roanoke recently, we invite you to do so. You will like what you see and maybe it will become your hometown, too.
